

The diagram shows a horizontal bar runner layout. It features three nested rectangular areas: an outermost orange border, a middle light blue area, and an innermost dashed blue area. A black double-headed arrow spans the width of the light blue area. A red double-headed arrow spans the width of the dashed blue area. Text labels are centered within these areas to specify dimensions and requirements.

**BAR RUNNER IMAGE AREA**

**865mm x 215mm**

include 5mm bleed to artwork - file size inc. bleed 875mm x 225mm

*keep text 10mm inside the edges - text area 845 x 195mm*
